Solar Energy Partnership: Phase II

What lessons were learned during the Solar Energy Partnerships' Sun Shot Solar Grant Phase 1, and what are the goals of Phase 2? Speakers Jess Harris (City of Seattle), Heidi Bedwell (City of Bellevue) and Angela Haupt (City of Kirkland) will join us to discuss this topic. This Roundtable will also dive into the evolution of the Partnership to a broader geographic focus, and explore how collaborative process can result in cross-jurisdictional code and policy changes.
